Dear Parents,
Our partnership is critical to our children's success in school. By reading with your child you develop language and literacy skills that aid them in becoming life long readers. Help them explore places near and far, meet new people and discover the wonders of our world. This reading list is provided to assist you in helping your child select appropriate reading material that you can then share together. These are only suggestions; you may read any books that you wish this summer. These books are recommended as summer reading favorites for students entering grade four across the district. Enjoy the journey!
