Dear Region 6 Community,

I am writing to let you know that I am planning to retire in June. This was not an easy decision to make, and I spent many hours discussing the idea with my family. The thought of leaving Warren School and Region 6 reminds me of how fortunate I have been to be part of such a close and supportive community—my interactions with students and staff are the highlight of every day!

As I get ready to begin this next chapter, I look forward to being present with my family, most of whom live out of state. My parents are getting older, and I don't want to miss out on opportunities to be with them. One of my daughters is ready to start a family, and I want to be available for her when she needs me. My husband and I are eager to travel and spend more time with our parents and children. As the saying goes, "Life is too short to wait." Now is the time.

Thank you so much for all that you do to make our community and our school district such a special place. You have touched me deeply, and I will always think of myself as a Region 6 Warrior!

Sincerely,

A handwritten signature in cursive script that reads "Angela Rossbach".

Angela Rossbach
