4-H Club

Location: James Morris School

Day of Week: Thursday

Time: 3:30 – 4:30pm

Grade Level: K - 6

Location: Wamogo

Day of Week: Wednesday

Time: 2:10-3:10pm

Grade Level: 7-8

Summary: This is a general 4-H Club that explores many of the areas most popular to 4-H. Students will focus on expanding knowledge in STEM and have hands on activities for the students to increase their understanding of subjects. Many county and state level opportunities will be available to the youth when they participate.

4-H has deep roots in education and STEM. Students will learn valuable life skills throughout the program. Much of the 4-H curriculum is based on national standards of education. Public speaking, decision-making and analytical thinking are a big part of 4-H.

Adventure Book Club

Location: Goshen Center School

Day of Week: Thursday

Time: 3:30 – 4:30pm

Grade Level: 3-5

Summary: Students will read and discuss such books as *Hatchet* by Gary Paulsen or *My Side of the Mountain* by Jean Craighead George. Students will build on their reading, listening and analytical skills. There will be activities and snacks.

Architecture

Location: Wamogo

Day of Week: Tuesday

Time: 2:10 – 3:10pm

Grade Level: 7-8

Location: Warren School

Day of Week: Wednesday

Time: 3:30 – 4:30pm

Grade Level: 3-6

(Architecture continued)

Summary: Learn about architecture and instruction. Apply your knowledge and creativity with a “hands on” model of your own design project. Students will learn about design concept and construction, architects and their most famous buildings. Students will learn hand drafting, scale sketching, zoning rules, codes, and 3D perspective drawing model making techniques. Students will explore new materials for cladding and construction, explore environmental design and off the grid projects.

Art Discovery

Location: Warren School

Day of Week: Tuesday

Time: 3:30 – 4:30pm

Location: James Morris School

Day of Week: Wednesday

Time: 3:30-4:30pm

Location: Goshen Center School

Day of Week: Thursday

Time: 3:30-4:30pm

Grade Level: 4-6

Summary: Students will have knowledge of how to create a painting so it flows correctly. They will learn the basics of painting, subject aspect, shadowing, perspective, background, foreground, and how to create a finished product. Students will further learn about light source, mixing colors and experimentation with color, layouts of space, setting up displays to paint from and work from photos and pictures in magazine.

Blacksmithing

Location: Wamogo

Day of Week: Thursday

Time: 2:10 – 3:10pm

Grade Level: 7 -8

Summary: Students will learn the history of blacksmithing and its role in the development of our country. They will learn the basics of the tools and equipment necessary to make various projects, learn useful skills for future endeavors, whether it be for art or practical purposes. Every student will have a finished project by the end of the program. The difficulty of the projects will increase as the program progresses.

Canning

Location: James Morris School

Day of Week: Tuesday

Time: 3:30 – 4:30pm

Grade Level: K - 6

Summary: Students will learn basics of canning, making pickles, applesauce and diced tomatoes. Using their reading and math skills while working with recipes, students will assist in the process and be able to take jars of what is canned home with them.

Creative Dramatics & Storytelling

Location: Goshen Center School

Day of Week: Tuesday

Time: 3:30 – 4:30pm

Location: The Warren School

Day of Week: Thursday

Time: 3:30-4:30pm

Grade Level: K - 6

Summary: Students will explore the art of improvisation as well as create their own original work. They will learn about myths, legends and the art of storytelling. Students will learn about theater, vocal projections, music and engage in teamwork as an ensemble. They will strengthen skills in literacy.

Cursive Writing

Location: Warren School

Day of Week: Tuesday

Time: 3:30 – 4:30pm

Location: James Morris School

Day of Week: Tuesday

Time: 3:30 – 4:30pm

Location: Goshen Center School

Day of Week: Thursday

Time: 3:30 – 4:30pm

Grade Level: 3-6

Summary: Students will practice writing letters and poetry in cursive. They will also practice reading cursive in text and from letters. Some historical documents will be reviewed that are written in cursive. Both lower and upper case letters will be learned.

Embroidery

Location: Warren School

Day of Week: Monday

Time: 3:30 – 4:30pm

Grade Level: K-6

Summary: Students will work together to learn the art of embroidery. They will learn different sewing stitches that will be used to create designs and letters. Embroidery is a creative art form that helps strengthen fine motor development and skills.

Field Hockey

Location: Goshen Center School

Day of Week: Tuesday

Time: 3:30 – 5:00pm

Grade Level: 3-6

Summary: Students will learn and practice the basic strategies of the game of field hockey. They will participate in game situations and learn sportsmanship. The field hockey program supports the value of sportsmanship and emotional development. Learning skills and game strategies will help build confidence and peer relations as students must work together. Care for equipment and hard work help to foster these qualities.

Film 1 & 2

Location: Wamogo

Day of Week: Tuesday (Film 1), Thursday, (Film 2)

Time: 2:10 – 3:10pm

Grade Level: 7-8

Summary: The class will be a creative overview of what makes a film starting with historical context, the story structure and scene selection through the why's behind the director's staging, casting and other choices. Students will be made aware of what is involved in a director's and producer's filmmaking choices. The class will meet twice a week to enhance a participant's viewing pleasure and knowledge of film. Every three classes a film will be shown. A final paper on a film will be requested.

Flix

Location: Goshen Center School

Day of Week: Wednesday

Time: 3:30 – 4:30pm

Grade Level: 4 - 6

Summary: Students will investigate the offerings of non-fiction Flix accounts. Come join us in learning about extreme weather, The Human Brain and so much more.

Great Decisions

Location: Wamogo

Day of Week: Monday

Time: 2:10 – 3:10pm

Grade Level: 7 - 8

Summary: “Prepare to Discuss the World” – Students will watch a video prepared by The Foreign Policy Association and then discuss the video and share thoughts about foreign policy and current events. Students will expand their cultural awareness, knowledge of geography, and participate in discussions on the subject matter.

Harry Potter Book Club

Location: Goshen Center School

Day of Week: Tuesday

Time: 3:30 – 4:30pm

Grade Level: 4 - 6

Summary: Students will read and discuss the first book of the *Harry Potter* series. Students will do crafts and have snacks themed on the magical world of *Harry Potter*.

Improv

Location: Wamogo

Day of Week: Monday

Time: 2:10 – 3:10pm

Grade Level: 7 - 8

Summary: Students will learn the elementary, intermediate and somewhat advanced concepts of the art form of improvisation beginning with eye contact, support moves, scene study to character study and finding the game of the scene. This class is a great way to channel energy in a fun and positive way.

Kindness Club

Location: Goshen Center School

Day of Week: Monday

Time: 3:30 – 4:30pm

Age Range: K-3

Location: Goshen Center School

Day of Week: Wednesday

Time: 3:30 – 4:30pm

Grade Level: 4-6

Summary: Students will do hands on projects that benefit members of the RSD6 community and beyond. Activities may include creating cards/artwork for local

(Kindness Club continued)

community members, Connecticut Children's Medical Center, veterans of the military and the elderly. Fundraising; brainstorming; implementing random acts of kindness; and other student driven ideas will be discussed and implemented. Students will learn what true friendship is, and how to make and be a good friend.

Knitting

Location: Goshen Center School

Day of Week: Monday

Time: 3:30 – 4:30pm

Grade Level: 4-6

Summary: Students will learn the basic methods of knitting, getting the yarn stitches on the needle, cast-off stitches and some sewing with yarn. Projects include a scarf, using various stitch patterns and a pair of mittens on the two needles. If time allows, the third project will be a small knit animal.

Screenwriting

Location: Wamogo

Day of Week: Wednesday

Time: 2:10 – 3:10pm

Grade Level: 7-8

Summary: This is an introduction to screenwriting. Each student will focus on a 10 to 15 minute short film script to be completed by the end of the semester. Aspects of this visual form of writing will be covered including correct formats, 3-act story structure, main tension, characterization, how to compose, condense and move scenes along to arrive late and leave early, along with other elements. Students will stage their work in a read-aloud script reading.

Tobacco Free Student Leadership and Advocacy Club

Location: Wamogo

Day of Week: Thursday

Time: 2:10 – 3:10pm

Grade Level: 7-8

Summary: Students in this program through EdAdvance, will engage in some of the following activities such as produce a PSA short, participate in the Tobacco-Free Student Advocacy Leadership Summit at NVCC in November, and help plan school and community tobacco-free advocacy events.

Visual Journals

Location: Goshen Center School

Day of Week: Monday

Time: 3:30 – 4:30pm

Grade Level: 4-6

Summary: Students will have the opportunity to experiment, take notes and find inspiration in an art journal. Students will explore personal interests and hobbies using various media from drawing, painting, collage and even weaving paper. Art ideas will range from observation studies (like a scientist), generating paintings in various styles, collecting found objects for collage and further studies. The visual journal is a unique book to launch ideas for bigger projects to explore self.

Wacky Wednesday

Location: Goshen Center School

Day of Week: Wednesday

Time: 3:30 – 4:30pm

Grade Level: 1 - 3

Summary: “Wacky Wednesday” is an afterschool program where students will be read to or they will read themselves. A book, discussion and craft activity will follow. The students will prepare their own wacky snack. Wacky jokes and riddles will be told during the snack time. Wacky games will be played on some Wednesdays.

Woodworking

Location: Wamogo

Day of Week: Wednesday

Time: 2:10 – 3:10pm

Grade Level: 7-8

Summary: Students will have the opportunity to learn basic woodworking and safety skills. They will complete a project; start to finish.

Zentangles

Location: James Morris School

Day of Week: Monday

Time: 3:30 – 4:30pm

Grade Level: K-6

Summary: Zentangles are a relaxing form of artwork that combines patterns, designs, and symbols to create a two-dimensional structural artistic image. No prior artistic ability is required to be successful in this course. Using just black pen and smooth paper, participants will explore strategies for creating zentangles and will leave the course with at least one piece that is ready to be framed for home or a gift!
