

# RSD6 Safety and Security

## August 26, 2019

## Threat Assessments

During the 2018-2019 school year, threat assessments were conducted at each of the four (4) RSD 6 school buildings by members of the the Critical Infrastructure Protection Unit of Homeland Security and State Department of Education.

“Table top” exercise was conducted at WAMOGO (May 2019)

Recommendations are included and completed in district upgrades

Next scheduled threat assessment is 2020-2021.

- Repairs to interior/exterior doors [addressing functionality] (2017/2018)
